

MAYO GOLD APPOINTS NEW MEMBER TO THE BOARD OF DIRECTORS, VICE PRESIDENT OF EXPLORATION AND MOVES BASE OF OPERATIONS

September 30, 2008

Mayo Gold Explorations Ltd. is pleased to announce the appointment of Mr. James Briscoe as Member of the Board of Directors and Vice President of Exploration, effective on September 20, 2008. His appointment will bring the required technical insight and enhance the Company's ability to evaluate its mining properties. Mr. Briscoe has extensive experience in Nevada where he worked in mining exploration projects located in the Carlin Trend.

Mr. Briscoe's involvement in mineral exploration and discoveries spans over 40 years. He is a Registered Professional Geologist in the States of California and Arizona since 1969 and 1972 respectively. Credited with expanding porphyry copper ore reserves at Silver Bell, Arizona and identifying major gold deposits in the Randsburg District in California, he was also instrumental in the discovery of the large disseminated McDermitt open-pit mercury mine in Nevada. Mr. Briscoe co-discovered and co-owned the Wind Mountain gold-silver mine in Nevada and has served as either an officer and or director of three other publicly trading exploration and development companies.

The company will also move its base of operations to Tucson, Arizona.

Mayo Gold is a Tucson-based mining exploration company committed to deliver value to its shareholder by acquiring, developing and mining precious metals deposits in Mexico.
